

3 C's of Goal Achievement Study Guide

How to Use This Study Guide

The Study Guide for this course is designed to help you take notes as you're taking the online course "The 3 C's of Goal Achievement". It is organized in sections that mirror the key elements of the course, with plenty of room to make notes and capture your learning.

The use of the Study Guide is optional. Research shows that different people learn differently and for many, the act of writing something down as you are learning helps to solidify the information in your brain. If you find the Study Guide helpful, use it. If not, feel free to omit it from your learning process.

Course Overview – The 3 C's of Goal Achievement

In general, people who are adept at setting goals and achieving them are happier and more successful – in their life and in their work. We are about to embark on a journey to learn more about goals, how to set them and how to achieve them.

Learning Objectives – The 3 C's of Goal Achievement

By the end of this course, you will understand the following:

- Understand the importance of clarifying goals
- Learn how commitment plays a critical role in achieving goals
- Identify several methods of monitoring goal progress
- Understand how to be consistent in order to achieve goals

Discussion Questions

Discussion questions are used by work groups who are taking courses concurrently and want to engage in a conversation about the course content. The use of discussion questions is optional.

1. Does your organization have clear and defined goals? If not, what are some ways you can work together to create them?
2. Have you ever set New Year's Resolutions? How often have you successfully completed them? Why do you think you did or did not achieve these goals?
3. Over the past year, think of one goal you successfully achieved and one goal you have not achieved. Talk about each of these goals and your efforts toward achievement.
4. What types of obstacles have prevented you from completing your goals in the past? What strategies might you be able to use to overcome these obstacles?
